It was carved out of the solid Rock before about 2000 years ago by the Arab Nabateans. Start the tour on foot passing by the fascinating narrow gorge (the Siq), which is about one kilometer long and eighty meters high. Once of a sudden you will be facing Petra' s most fa mous monument the Treasury (el-Khazneh), continue on foot towards the Monastery (ed - Deir) passing by the Theater, Qasr el-bint, small houses and curved gates.

Day 05 **Petra – Little Petra – Wadi Rum**

Breakfast at the hotel, a small drive to visit Little Petra Al Beidha is an ancient archaeological site located a few kilometers north of the World UNESCO site of Petra. Al Beidha is also known as Little Petra due to its similarities in architecture. Unlike Petra, Al Beidha (Little Petra) sees far fewer tourists making it a more peaceful atmosphere compared to other popular landmarks in Jordan. It is well connected to the nearby town of Wadi Musa and visitors should allow around

half a day to explore Little Petra.

Then drive to Wadi Rum (Valley of the Moon), lies in the far south of Jordan, set on a high plateau at the western edge of the Arabian desert. Gargantuan rock formations, r ippled sand dunes, and clear night skies create an almost fairy-tale setting across an unpopulated area. This is truly the "reddest" part of Jordan, colored by iron oxide, and by far the most dramatic in terms of landscape. Jeep tour for 2 hours through Wadi Rum colored sands by Bedouin four-wheel drive vehicles.
